

A Kiss From The Children Of Eternal Rays

Future Fuckups

Modifying the anti-historicist spirits through higher values of contemplation is a way that leads us directly through self-reflexive moments and separated areas of perception.

Fluxus is depending on the use of environment. For a clean environment, we have to set a longer filter time. For a dirty environment, we have to set a shorter filter time.

Fluxus has a built-in interactive smart function for trouble shooting. A re-connecting or replacing of deep knowledge, passion or interest in one field of meaning will change the main concept of boring and dangerous art works.

Fluxus can also be disassembled into 4 steps like video projector:

PULL UP ONE PIECE

TURN UPSIDE DOWN ONCE

TAKE THREE PIECES OUT

UNSCREW THE REST

This is the example that has been chosen by De Bel/Teister. An important process, both are melting and mixing values to be attributed to a single cause.

TAKING OUT THE OUTLET OF THE ARTISTIC ART MODULE.

The individual intersection of the represented process by them is being compressed into a single cause. An artistic mode adjustment for operations of visual perception.
